EDUCATION

PARSONS SCHOOL OF DESIGN, THE NEW SCHOOL Bachelor of Fine Arts in Communication Design, Minor in Economics.	New York, NY 2023 - Current
WAYLAND HIGH SCHOOL • National Art Honors Society	Wayland, MA 2019 - 2023

EXPERIENCE

ONISHI GALLERY Web Design/Development Intern	New York, NY June 2026 – Current
- Designed and built an internal database application (Next.js + Supabase) to catalog artworks, artists, and clients, implementing filtering by price, material, and other attributes to streamline gallery operations - Maintained and updated the gallery's public-facing website, including storefront customization, layout fixes, and responsive design improvements for mobile and desktop - Collaborated with a team member to expand the project from a single-page prototype into a multi-page application with image storage and cloud deployment (Vercel) - Served as a gallery guide, leading visitors through exhibitions and communicating artist and artwork information to the public	

PARSONS COMMUNICATION DESIGN Code Tutor	New York, NY September 2026 – Current
- Tutor Communication Design students in HTML, CSS, and JavaScript, breaking down code and interaction concepts into clear, approachable steps - Collaborate with faculty to address student learning needs and support course outcomes - Help students debug and refine web projects, strengthening their understanding of layout, styling, and interactivity	

WILL-V Freelance Web Developer/Designer	Remote February 2026– Current
- Designed and implemented front-end layout updates for a sports apparel Shopify store, focusing on landing and product pages - Translated visual design concepts into responsive, on-brand page layouts optimized for browsing and product discovery - Edited Liquid templates (e.g., footer, section files) to customize site structure, including CSS Grid-based layouts and reorganizing navigation/policy link placement - Collaborated with client to refine page structure and visual hierarchy for a cohesive shopping experience	

CCTV-5 Intern	Beijing - Chengdu, China May 2024 - July 2024
- Intern for CCTV-5, assisted with the production of a documentary about the Sanxingdui archaeological site. - Attended meetings about and engaged with cultural relics and artifacts. - Worked collaboratively with other film studios to learn and engage with Chinese culture.
